

Brass B.

Musik: Unplugged / Marching / Akustik
Fun, fun, fun!

Brass B. is a Marching tape from 7 musicians (Play the trumpet, saxophones, tuba, drums) which dish up a sharply spicy Menu from jazz, swing, blues, soul and many other music styles. Besides, the ladies and men know only one motto by the instruments: Fun, fun, fun! The agile Chefbuffetier in the megaphone "puts the heating on" with a sure feeling for melody and rhythm incredibly, the soloists show her whole skill, the rhythm section drums itself in all hips, until the audience from young to old only wants one: the dessert in the form of additions. Brass B. is a volume with tempo and play joke which sends her audience always full home. Convince yourselves!
