If musical education and stylistically confident appearance backed up...

..... accompany your event discreetly and professionally. Their music repertoire is presented brightly mixed Best of all of pop and rock, beat and soul, swing and jazz, without Vocals and drums, completely in the style of discreet dinner music. The plus is the unusual instrumentation: Violin and saxophone melt with piano and contrabass to a unique sound which conjures in every space a stimulating-stimulating atmosphere in which the guests easily talk and can feel fine. Sensitive arranges between classical period and lounge A Whiter Shade Of Pale, Blueberry Hill, Lemon Tree – these songs move Jung and Old equally. CLOSE t. y. is close and immediately applicable, without acoustic neutral zone, without strengthening and luxurious stage construction.
