

Die Schwind..

Musik: Dinner, Soul & Blues & Jazz, Musik: Unplugged / Marching / Akustik
Real people with real instruments...

The music stretches from Jazz over Bossa Nova to samba and swing. They promise a stylish classic yet dionysian evening - from the first waltz up to the last tango. There have become acquainted three friends of the good taste in the college of music in Berlin. Guitarist Niko lives meanwhile in Hamburg, saxophoneplayer Tobias 1 in Frankfurt and Tobias 2 in Berlin. The Schwind.. prefer to play unstrengthened. The renunciation of electronic superstructures guarantees a genuine sound with adequate volume. Nevertheless, when required a discreet strengthening can be used for guitar and contrabass. Only one single power point is necessary for this.
