

## Jasper

**Musik: Dinner, Soul & Blues & Jazz, Musik: Unplugged /  
Marching / Akustik  
- auch unplugged -**

The volume puts out the special charm of the connection from very well qualified jazz musicians, a distinctive feeling for the suitable song arrangement and the youthful esprit. The adaptable occupations - duet, trio, quartet or quintet - create the possibility to find the suitable band size for the planned event. In the repertoire there are all known jazz classics. The musicians always find the right volume and integrate themselves perfectly into the background of the event to give enough space for talks, elegant dinner or lounge feeling.
